Spirituality

Spirituality is not something we can see, it is something we feel.

It is a journey where we learn to ask questions, develop an understanding of ourselves and our deeper connection with others, the world and something bigger than ourselves.

An understanding of spirituality will support us all to be happy, flourish, and live life in all its fullness.

Theologically rooted Christian Vision

Our historical Church foundation is for our school to provide an education, including knowledge of the Anglican Faith, to those in the local community who are in the most need.

The Gospel from St Matthew celebrates that God gave each of us talents that should be shared and not hidden away, that we should use these talents to help others and to inspire them. We believe every child, adult and member of our wider school family has a gift or talent they can share and have celebrated in our school. This means that we strive to be truly inclusive, to discover, nurture and celebrate achievements at all levels and to provide opportunities to enable all to shine. We endeavour to be invitational and inclusive at all levels, including during worship.

At West Park Church of England Primary we believe that we should, 'Let your light shine,' in everything we do.
