

West Park C.E. Primary School

CAITRIONA BULL – HEADTEACHER

I have been the Head teacher at West Park for ten years.

This is my second headship and I am fortunate to work with a dedicated team of staff and Governors. We work closely to ensure we use every resource we have for the best of every child in our school. It is a privilege to lead our school and I am determined always that every child will succeed each day.

In my spare time, I really enjoy reading, baking and spending time outside.
