### **LINDA DUPRET – PARENT GOVERNOR**

My name is Linda Dupret and I am one of the new parent governors, being a grandparent of a child in reception.

I was a teacher and a headteacher for the last 15 years, of my career, at a primary school in Brighton, which was consistently good and outstanding through Ofsted. I retired in December 2020 after over 40 years in the profession.

I taught at 7 very different schools during my career and thoroughly enjoyed the challenge, working with and supporting a superb range of teachers and support staff. Most importantly, I loved being with the children and seeing them learn and grow, in a nurturing environment. I bring this experience to my new role as parent governor.

I feel ready, after a short break, to bring some of my skills and experience to the West Park Governing Body and look forward to working with them over the next few years.
