## What will the children do?

- **Make decisions and find solutions for themselves**
- **Set their own challenges at a high level of expectation, persevering when they encounter failure or difficulty**
- **Know that errors are good and that they learn from them**
- **Know their next steps in learning and take responsibility for their own learning journey**

## What will the staff do?

- **Inspire pupils to take responsibility for their learning**
- **Be flexible in their planning and delivery to take account of the needs of the learners**
- **Allow for reflection opportunities encouraging the children to discuss their learning**
- **Provide opportunities for children that require perseverance and resilience**
