

Stop the Spread

STEP 1- Symptoms

If your child or someone in your household gets one or more of the Covid -19 Symptoms stay at home.
(a high temperature, a new continuous cough, loss of, or a change in your normal sense of taste and smell)

If the child or staff are at school they will be sent home immediately

STEP 2- Isolation

Stay home for 7 days and book a test

Rest of household stays home for 14 days

Rest of learning group alerted

Negative Results

Where the child or staff member tests negative all isolation ends and anyone connected who was in isolation returns to school or work

Positive Results

If the results are positive the child remains in isolation alongside their family.

The rest of the learning group also go into isolation for 14 days but the rest of the household is not required to do so.

School Actions-

Public Health England (PHE) will be contacted and the rest of the school may continue to operate if advised by PHE due to control measures in place.

School will close if advised by PHE

Classroom used by learning group will be deep cleaned
